Increasing our Membership

The success of any organization is dependent on continually adding new members to make our Society more vibrant and interesting.

Can I ask every member to again put your "thinking cap" on and do your best to invite a relative or friend along to the meeting.

Visit the Founders web site

I encourage members to look at our "NZ Founders" web site every few weeks. Kathy is our National web master.

What do we want to achieve this year? Ray to report on ideas from members and his own thoughts.

50th Anniversary of the Branch. Report from Ray re HCC discussion re plaque and a lunch
