Increasing our Membership

The success of any organization is dependent on continually adding new members to make our Society more vibrant and interesting. Can I ask every member to again do your best to invite a relative or friend along to the meeting and refer them to our web site.

Visit the Founders web site

I encourage members to look at our "NZ Founders" web site every few weeks.

New material for the Ancestors Board

Kaye is asking for members to submit new material for our Ancestors Board before the end of 2024 as some current material relates to people who have passed on.
