

Auckland Branch Visit
October 1, 2022

Several members of the Auckland Branch visited Highwic to enjoy baking from an authentic coal range. Highwic volunteers baked Ginger Gems, Boiled Fruit Loaf, a vegan Lemon Drizzle Cake, Chocolate Chip Oaty Biscuits, all recipes from old Highwic recipes. Highwic has a wonderful collection of vintage irons ranging from light-weight to extremely heavy versions. It was a lovely afternoon spent exchanging memories of the past. A big thank you to the Highwic volunteers for a wonderful visit. For more information about Highwic visit www.heritage.org.nz
