

Taranaki Branch meeting 27 January 2023
January 29, 2023

18 members met on 27th January 2023 at the Jury home for a presentation on Bernard Aris a local Taranaki painter. Many examples of his paintings were on display with viewing available after a power point presentation which was very informative about the artist and also local historical points of interest in his subject matter. A very interactive afternoon with members also bringing their own paintings to share stories.
