

**Taranaki Branch March activities**  
**May 22, 2023**

The Taranaki branch of NZ Founders held two events during March 2023.

Following our Commemorative lunch and reflection time at the Founders plaque on the walkway, discussion took place on how we could enhance the plaque to make it more visible to the public. The committee think this is a good idea and will make enquiries with the Council and local iwi, Ngamotu, to consider options. Members meeting where Keith Wills shared his family connections in Tikorangi and Westown.
