NZ Founders finally hosted the 2021 AGM under Level 2 conditions in Tauranga on 25th September after it had been postponed from August when the country was in Level 4.

With absence of Auckland branch (for the second year running), the remaining active branches met in Tauranga. The AGM passed a remit to allow future AGMs to proceed without members being present in person, should we find ourselves in this position again.

Alan de la Mare was elected President as Paddy Bailey was standing down after 5 years at the helm. Hawke's Bay retained the trophy for most new members during the year.

Next year's AGM will be in Wanganui and 2023 in Hamilton.
