

**Taranaki Branch September meeting
October 1, 2023**

Friday 29th September, a wet and wild windy day in New Plymouth, saw 11 members meet at the iconic Tea House Kiosk at Pukekura Park.

Adrienne Tatham shared with us the consultation currently happening on proposed major changes to this Botanical park in the centre of town. She encouraged us all to follow the proceedings and have our opinions on the proposed changes.

Kathy Dent, our National Treasurer, then gave an overview of the changes required to our constitution and the way Founders operate in the future to comply to the new Incorporated Societies Act.

The meeting was concluded with afternoon tea at the Tea House.
